

BACK TO BASICS

NES has gone back to basics, back to a hobby that everyone can enjoy. Back to a pageant where you don't need to spend a fortune to keep up with the Jones'. Back to a pageant where everyone has an equal chance regardless of whether you had a top designer make your dress or you bought it at Sears. Back to a pageant where the cost of H/M doesn't exceed the entry fee, which has kept many from competing. How has NES changed to do this?

1. There is no attire score at all. We have decided any attire is acceptable however, we prefer flower girl type dress, Sunday Best, Prom Style or Cocktail Dresses. We do not want people to go out and have to buy or have new clothes made to compete, so anything is acceptable. Should you wear a fully glitz dress, you will have no advantage over someone who wears a flower girl dress as there is no attire score at all. Beauty will be based on facial beauty, poise and smile/eye contact. AGAIN - There will be NO ATTIRE SCORE at all.

2. Professional H/M will not be required or needed, but it will be allowed. The criteria for judges will be no big hair, no falls, no wiglets and no hairpieces. None of those will be allowed. Hair must be natural looking, but nice and dressy. No fake eyelashes and no flippers are allowed. Everyone can do this type of H/M and there is no advantage to getting it done professionally. If someone wants to have it done professionally, there is no problem with that, but you can definitely do that type of H/M yourself just as easily. Any hairstyles that are not natural looking or makeup that is not natural looking/age appropriate will have points deducted. Under 12, should stick with minimal makeup like lip gloss, blush, light mascara to keep them from fading out under the bright stage lights, no dark lipsticks or heavy eye shadow. Makeup in the older divisions should be nothing more than you would wear to school or work.

3. There are not events for Pro-am. We will have a Casual/Runway event and a Swim/Fitness event, which should all be runway style. Think NEW YORK FASHION SHOW, that is what we are looking for. There will be deductions for double/triple spins, etc. Fitness can have modeling related to the outfit. OOC & Talent can have the more glitz modeling and makeup!

4. There is no glitz/pageant photogenic category. We are only offering Natural Photogenic (meaning no touchups unless it's a stray hair or something like that). The judges will be looking for photos that look like photos (meaning not perfect skin, not perfect in every way, something that looks like a real person and age appropriate). The judges do not want photos in the 5 yr division that look like a 15 yr old. The cost of touchups is out of control and actually changing many photos to the degree, the child is sometimes unrecognizable. This is NOT what we want. We want a nice photo of the contestant, so the contestant and their photogenic qualities are being judged, not the photographer. Any size photo can be entered and they will be returned following awards. Bring Photos Day of Competition. Please DO NOT mail any photographs.
