

NES MIDWEST

1. There is no attire score at all. Any attire is acceptable however, we prefer flower girl type dress, Sunday Best, Prom Style. We do not want people to go out and have to buy or have new clothes made to compete, so anything is acceptable. Should you wear a full glitz dress, you will have no advantage over someone who wears a flower girl dress as there is no attire score at all. Beauty will be based on facial beauty, poise and smile/eye contact

2. Professional H/M will not be required or needed, but it will be allowed. The criteria for judges will be no big hair, no falls, no wiglets and no hairpieces will be allowed (unless you have sewn in or glued in braids and it is part of your normal look). Hair must be natural looking, but nice and dressy. No fake eyelashes and no flippers. Any hairstyles that are not natural looking or makeup that is not natural looking/age appropriate will have points deducted. Under 10, should stick with minimal makeup like lip gloss, blush to keep them from fading out under the bright stage lights, no dark lipsticks or heavy eye shadow. Makeup in the older divisions should be nothing more than you would wear to school or work. Tanning is allowed for all ages

3. There is no glitz/pageant photogenic category. We only offer Natural Photogenic (meaning no touch-ups unless it's a stray hair or something like that). The judges will be looking for photos that look like photos (meaning not perfect skin, not perfect in every way, something that looks like a real person and age appropriate). The judges do not want photos in the 5 yr division that look like a 15 yr old. The cost of touch-ups is out of control and actually changing many photos to the degree, the child is sometimes unrecognizable. This is NOT what we want. We want a nice photo of the contestant, so the contestant and their photogenic qualities are being judged, not the photographer. Any size photo can be entered and they will be returned following awards.
